EXPLORE THE PROGRAM VIA THE JSM 2022 APP!

Sponsored by Takeda

Looking for the complete JSM program schedule? Just click the schedule icon!

Scroll through all JSM sessions, the professional development program, business and committee meetings, and JSM hours and events by day. And don't forget to add these to your personal schedule by clicking the "+" icon.

Need to know when speed sessions are taking place? Simply select the "Contributed Speed" tag from the filter options—and *voila!* Looking for all sessions sponsored by the Section on Statistics in Sports? Filter by track instead.

Not sure where a room is located? Just hit the maps icon and the app will show you.

Trying to find something specific? Search for a speaker or find an abstract via keyword or session title.

GET THE JSM APP!

Scan the QR code to download the app.

Or download the **CrowdCompass Events app** in **Google Play** or **Apple's App Store**, and then search for JSM.

And don't forget to leave feedback on the presentations you see. Just click the link provided in the session details.

GOOD TO KNOW

JSM CHALLENGE

Take the **JSM CHALLENGE** via the JSM 2022 app! Earn points for each task you complete to win prizes at the end of the week. The JSM Challenge runs Saturday through Thursday, with new tasks each day. Prizes will be awarded to the top four participants on the leaderboard within the JSM app as of noon on Thursday.

Don't miss out on the opportunity to have fun and win great prizes! Download the CrowdCompass Events app and search for Joint Statistical Meetings. Available from Google Play and the App Store.

DOCENT PROGRAM

QUESTIONS? NEW TO JSM? Find a JSM docent to help you learn the ropes. JSM docents are experienced JSM attendees wearing an orange button who can help you make the most of your experience.

JSM PROCEEDINGS

Eligibility guidelines and author instructions for **JSM 2022 PRESENTERS** are available at ww2.amstat.org/meetings/jsm/2022/submissions.cfm. The submission site will be open September 1 – October 7, 2022 (11:59 p.m. EDT).

EMERGENCY TELEPHONE MESSAGES

In case of emergency, messages may be left during registration hours by calling (202) 249-4005. We will attempt to contact the registrant using the contact information provided in their registration.

ASSISTANCE FOR THOSE WITH DISABILITIES

Please contact a staff member at the Help Desk in the registration area if you have a disability that may impede your participation.

CHILD CARE

Kiddie Corp is the official child care provider for JSM 2022. Arrangements should have been made in advance. Please contact Kiddie Corp at (858) 455-1718 or info@kiddiecorp.com for any questions or possible availability.

POLICIES

Electronic Devices

All cell phones, pagers, and other electronic devices should be silenced before attending any session or meeting.

Smoking/Vaping

Smoking is not permitted at any JSM function, unless the event is held outside.

Sustainability/Recycling

The “Know the Code” color-coded recycling and waste minimization program has helped the convention center take the lead on extensive recycling initiatives and effectively employing environmentally responsible products. Through a PepsiCo partnership, PepsiCo’s recycling “dream machines” were installed surrounding the center to encourage beverage container recycling rates.

The convention center partners with many local sustainable businesses—including DC Central Kitchen, Capital Area Food Bank, and the District of Columbia Department of Public Works—to recycle pallets left by decorators.

Activities Conduct Policy

As a professional society, the American Statistical Association is committed to providing an atmosphere that encourages the free expression and exchange of ideas. Consistent with this commitment, it is the policy of the ASA that all participants in ASA activities will enjoy a welcoming environment free from unlawful discrimination, harassment, and retaliation. All participants in ASA activities also agree to comply with all rules and conditions of the activities, which are subject to change without notice.

Please read the complete code of conduct at www.amstat.org/meetings/code-of-conduct.

PROFESSIONAL DEVELOPMENT

The Professional Development program at JSM offers more than 30 short courses and workshops on topics such as big data, clinical trials, statistical computing, and soft skills. Titles, instructors, descriptions, and schedules are available on the JSM app and conference program at ww2.amstat.org/meetings/jsm/2022/onlineprogram.

All Professional Development offerings are at the Walter E. Washington Convention Center. Most require an additional fee.

To add a course or workshop, go to the main registration desk found in the East Salon of the convention center.

ROUNDTABLES

Looking for something to do for breakfast or lunch? Want a less formal presentation and a way to meet new people? A JSM roundtable discussion might be right for you.

Look through the options in the JSM conference program or app and check with JSM registration for availability.

There are also four Speaker with Lunch sessions to choose from:

Sunday, August 7, 12:30 p.m. – 1:50 p.m.

What are your big goals for JSM 2022?

Write them down here and think about how the sessions and events you attend can help you achieve them.

NOTE PAGES

Tools and insights I don't want to forget:

Take good notes about the best ideas you hear at JSM. You'll be glad you did when you get home and are reflecting on how to put your JSM experience to work.

NOTE PAGES

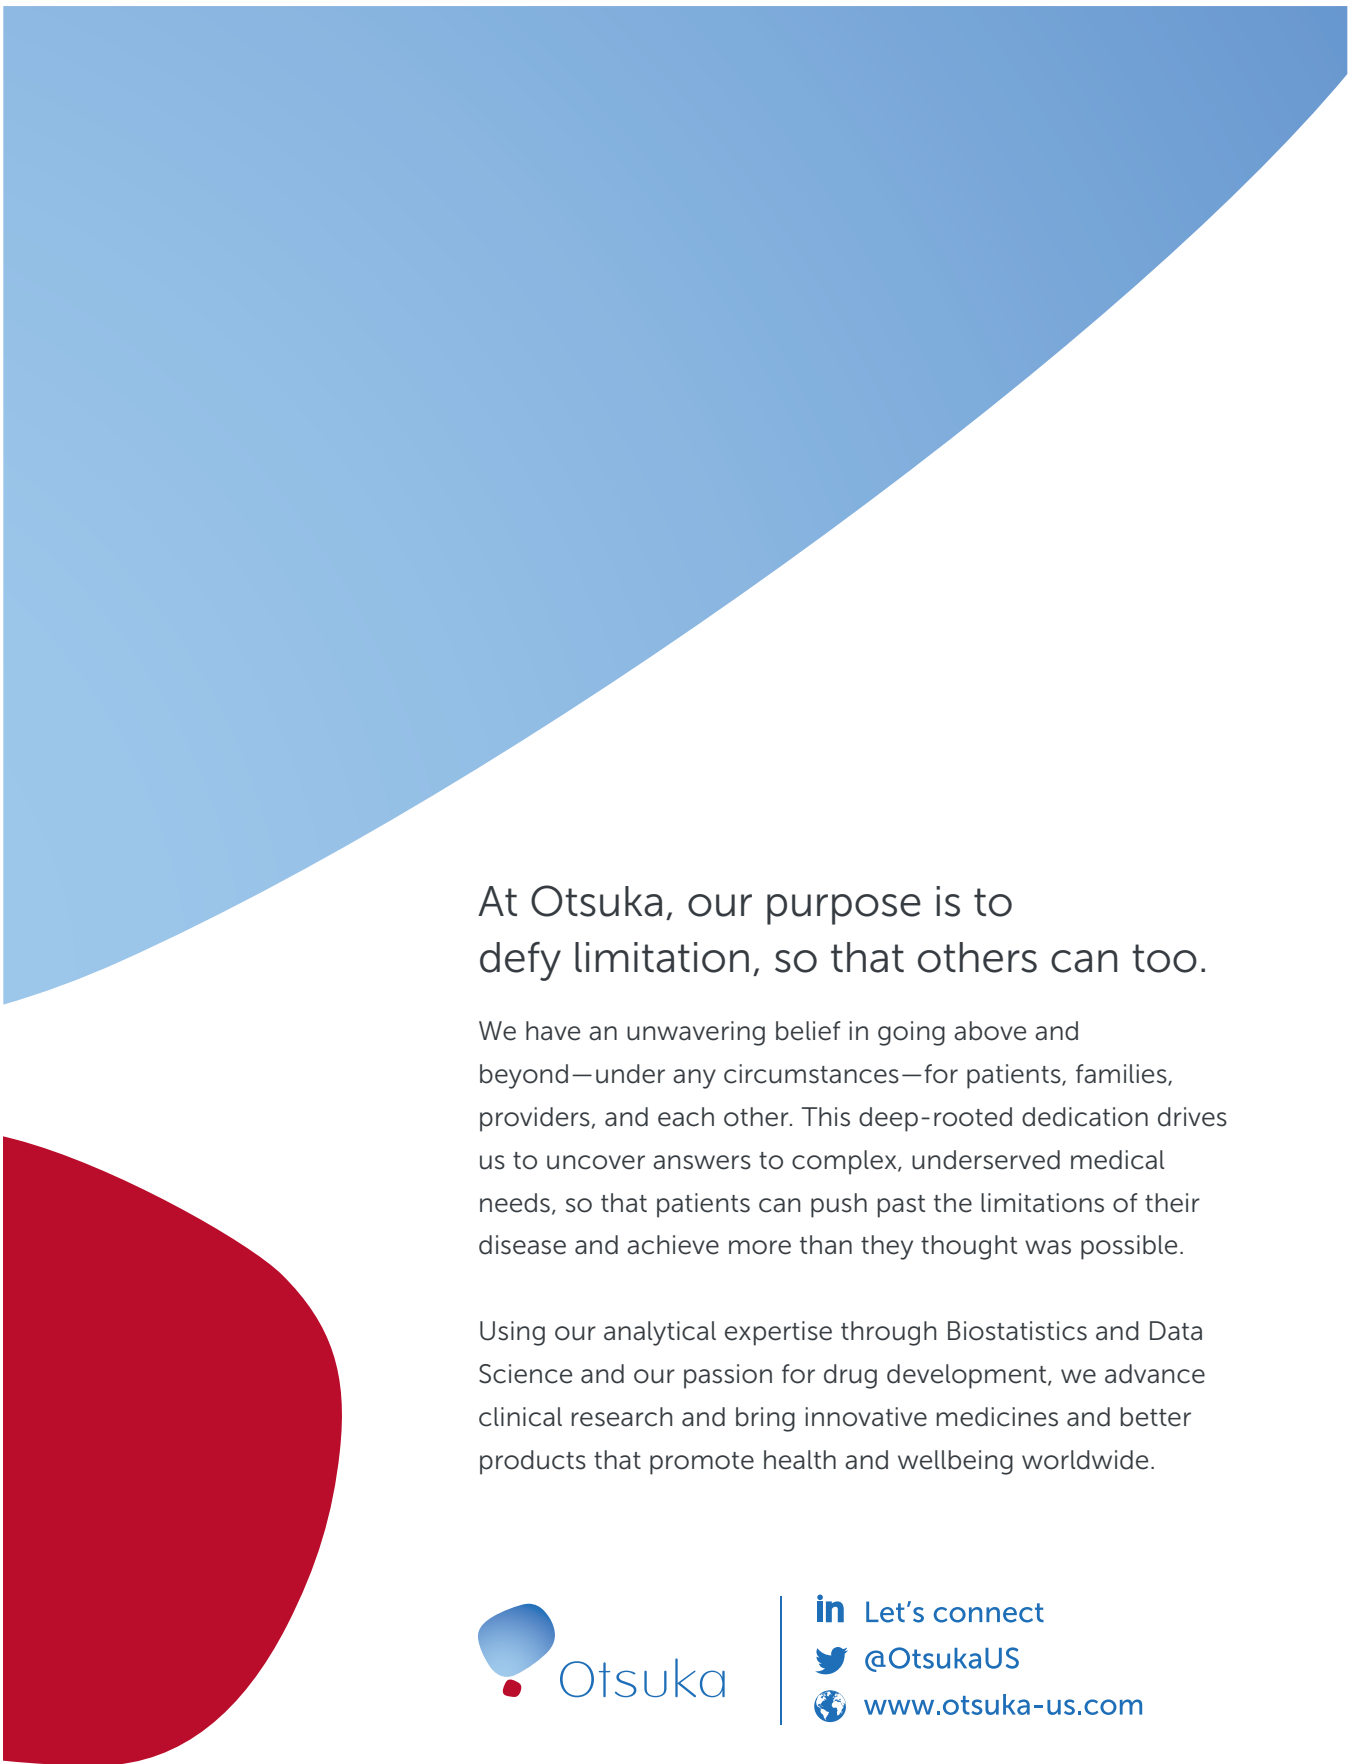

Connect with these people:

Say hello to speakers and fellow attendees, then write down who you plan to follow up with and why so you can take action later!
