

# BAPS

## BEYOND AP STATISTICS

FRIDAY, JULY 20, 2018 • 8:00 A.M. - 4:30 P.M. • GLENDALE, ARIZONA

### A WORKSHOP FOR EXPERIENCED TEACHERS

*Sponsor: ASA-NCTM Joint Committee on Curriculum in Statistics and Probability*

The ASA/NCTM Joint Committee is pleased to sponsor a **Beyond AP Statistics (BAPS)** workshop in Glendale, Arizona, on Friday, July 20. Organized by Roxy Peck (Cal Poly) and Rodney Jee (president of the ASA Arizona Chapter), the BAPS workshop is offered for AP Statistics teachers and consists of enrichment material just beyond the basic AP syllabus. Topics in recent years have included experimental design, topics in survey methodology, multiple regression, logistic regression, what to do when assumptions are not met, and randomization tests. The course is divided into four sessions presented by the following:

#### **COST**

The course fee for the full day is \$50.

#### **LOCATION**

Arizona State University West Campus, Glendale, Arizona

#### **PROVIDED**

- Refreshments and lunch
- Handouts
- Certificate of participation from the American Statistical Association certifying professional development hours
- Optional graduate credit available

#### **PRESENTERS**

**Roxy Peck**, Cal Poly

**Roy St. Laurent**, Northern Arizona University

**Derek Sonderegger**, Northern Arizona University

**Jennifer Broatch**, Arizona State University

#### **SCHOLARSHIPS**

The Arizona Chapter will reimburse \$30 of the \$50 registration fee for the first 20 teachers who register and attend the BAPS workshop. The scholarships are available on a first-come, first-served basis. To be eligible, registration must be completed by July 9.

#### **REGISTRATION**

More information and online registration will be available at [www.amstat.org/education/baps](http://www.amstat.org/education/baps). Registration is due by July 9, 2018.

#### **QUESTIONS**
