PLEASE READ
the complete conduct policy before attending: *www.amstat.org/ASA/Meetings/Meeting-Conduct-Policy.aspx.*

Emergency Telephone Messages

In case of emergency, messages may be left during registration hours by calling (303) 228-8325. We will attempt to contact the registrant using the contact information provided in their registration.

Assistance for Those with Disabilities

Please contact a staff member at the Help Desk in the registration area if you have a disability that may impede your participation.

Child Care

Kiddie Corp is the official child care provider for JSM 2019. Arrangements should have been made in advance. Please contact Kiddie Corp at (858) 455-1718 or *info@kiddiecorp.com* for any questions or possible availability.

Policies
Electronic Devices
All cell phones, pagers, and other electronic devices should be silenced before attending any session or meeting.

Smoking
Smoking is not permitted at any JSM function, unless the event is held outside.

Recycling
The Colorado Convention Center has single stream recycling throughout the facility and a back of house compost collection program to help minimize the amount of materials hauled to landfills. In addition, there is an advanced donation program for left-over conference materials. Items collected are stored in an onsite reclaim room and offered to local organizations for use.

Activities Conduct Policy

As a professional society, the American Statistical Association (ASA) is committed to providing an atmosphere that encourages the free expression and exchange of ideas. Consistent with this commitment, it is the policy of the ASA that all participants in ASA activities will enjoy a welcoming environment free from unlawful discrimination, harassment, and retaliation. All participants in ASA activities also agree to comply with all rules and conditions of the activities, which are subject to change without notice.

Professional Development

Continuing education is a fundamental component of the professional life of statisticians. The Professional Development (PD) program at JSM offers more than 40 short courses and workshops on topics such as big data, clinical trials, statistical computing, and soft skills. Titles, instructors, descriptions, and schedules are available on the JSM app and JSM online program.

All PD offerings are at the Colorado Convention Center. Most require an additional fee. To add a course or workshop, go to the main registration desk found in Lobby D of the convention center.

NOTE PAGES

NOTE PAGES

What are your big goals for JSM 2019?

Write them down here and think about how the sessions and events you attend can help you achieve them.

NOTE PAGES

Connect with these people:

Say hello to speakers and fellow attendees, then write down who you plan to follow up with and why so you can take action later!

NOTE PAGES

Tools and insights I don't want to forget:

Take good notes about the best ideas you hear at JSM. You'll be glad you did when you get home and are reflecting about how to put your JSM experience to work.
