GENEVA is situated in one of Europe's most beautiful sceneries, on a lake and close to mountains. It is a host city to many international organizations. Geneva has an international airport offering direct regular flights to more than 100 international destinations, and is also easily accessible by high-speed trains from France and Italy.

The variety of food offered in Geneva's restaurants is widely renowned. Points of touristic interest include the Lake of Geneva, its surroundings populated with picturesque villages and vineyards, and the Alps on Geneva's doorstep.

The participants will have a large variety of choices of hotels of different categories in Geneva. Participants of the conference will be provided with a free Geneva Transport Card upon check-in to their hotel, valid for the entire duration of their stay.

The Fifth International Conference on Establishment Surveys (ICES-V) will be held in Geneva, Switzerland, on 20–23 June 2016. Continuing in the traditions of ICES-I to ICES-IV, ICES-V intends to explore new areas of business statistics as well as to reflect state-of-the-art at the time of holding the conference.

Situated for the first time in Europe, in the beautiful surroundings of the canton and city of Geneva, ICES-V is expected to be attractive to professionals and researchers in the area of statistics on businesses, farms and institutions throughout the world.

The registration for the conference and for one day courses is open, with a reduced fee for early registration (until 31 March 2016): www.ices-v.ch → **Registration**

The conference plans to cover:

- A variety of short courses at different levels (introductory, intermediate, advanced)
- Lectures on important and timely topics
- A variety of papers (invited and contributed)
- Two keynote speakers
- Software demonstrations

A student competition on imputation is linked to the conference.

All conference activities will be held at the International Conference Centre, Geneva.
